Handicaps

Handicaps are retained and updated on computer and are available on the Golf Australia Website. All players are responsible for checking their daily handicap before playing. It is the Markers’ responsibly to be aware of strokes taken by his/her playing partner when marking their card.

Tied Events – Playoffs

All Club events that are scratch competitions, will be decided by a play-off if a tied situation occurs.

The number of holes in any play off shall be decided by the match committee.

All Club events that are a nett competition, will be decided by count backs.

Handicap Match Play

In Handicap Match Play the method of ascertaining handicap is that the lowest marker in any particular match goes back to scratch and then gives the other player or players the difference in their respective handicaps.

The strokes are then taken as indicated on the scorecard.
